

Your Gift Matters

Thanks to your financial support *more than 10,000 children, families and adults* in our community participate in YMCA programs each year. Our volunteers raise funds for families in need through our Strong Communities Campaign and in these unsettling economic times your continued support is critical.

Your generosity keeps kids on the playing field in recreational and competitive youth sports, provides families with access to wellness activities and sends youths to camp. Thanks to the kindness of our friends last year *our YMCA provided \$2.9 million in financial assistance* for mission-based programs. One way we accomplish our mission is by providing early childhood development, before and after school enrichment programs and summer day camp. Your support goes a long, long way.

The YMCA Value

When parents can't be there themselves, the YMCA supports their efforts to nurture a child's healthy development. Parents gain peace of mind as they work to provide for the family, knowing that well-trained Y staff are there to offer affordable, high-quality care.

Measurable Results

Each day 2,400 children are encouraged to grow to their fullest potential in a fun, safe, structured child care environment. YMCA school age enrichment programs fill the gap creatively and constructively between school and when parents come home.

Your gifts have a positive impact on our local community.

- 1,179 scholarships for child care needs were awarded thanks to donations like yours
- A \$239 gift sponsors one child for a full week of safe, nurturing child care
- 80% of YMCA preschoolers meet or exceed social benchmarks versus a norm of 70%

Ready. Set. Play.

Last year our YMCA provided an unprecedented \$463,000 in financial assistance for quality child care to families in need. These scholarships and reduced fees represented a 50% increase over the prior year, and the demand continues to grow. Your generous gift helps more children and families succeed in school and life.
